OBJECTIVE

Web development intern specializing in front-end and back-end technologies, passionate about creating responsive, user-friendly websites. Dedicated to empowering the web through modern JavaScript frameworks while gaining hands-on experience and contributing to innovative projects.

EXPERIENCE

React JS Developer Intern

July 2024 – **Present**

Lejhro Technology, Bhubaneswar, Odisha

- Led a team of developers in creating dynamic web applications using React.js, ensuring high-quality code and project deliverables.
- Managed Git version control, streamlining the development workflow and amplifying access to GitHub repositories for efficient team collaboration.
- Implemented Google Analytics to track user interactions and optimize website performance.
- Contributed to metadata optimization, enhancing SEO and improving the visibility of web applications.
- Integrated Next.js for server-side rendering and performance improvements, enabling faster load times and better user experience.

Freelance Hardware and Technical Support Specialist

January 2021 – February 2021

Self-Employed, Solapur, Maharashtra

- Provided comprehensive technical assistance and support services related to laptops and PCs.
- Diagnosed and resolved hardware issues, performed system upgrades, and ensured optimal performance of client computer systems.

SKILLS

Frontend Technologies

HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS

Backend Technologies

Node.js, MongoDB, RESTful APIs, Django

Tools

Git, Bootstrap, ASP.NET, SQL Server, Google Analytics

Other Skills
